Chief Clerk and Administrator
The Public Service Commission of South Carolina

- RE:
- Application of Timothy P. Oliver for the Approval of the Consolidation of Utility Systems, an Umbrella Bond and Conforming Rates for Customers in Wyboo Pointe and Haynesworth Mill
 - Docket No. 2007-234-W/S
 - **After-filed exhibit**

Dear Mr. Terreni:

Enclosed for filing is an after-filed exhibit in the above referenced docket, as contemplated in paragraph 17 of our Application filed with the Public Service Commission of South Carolina, ("Commission") on June 18, 2007. Specifically, the exhibit consists of an oversized map depicting the water distribution system for the Haynesworth Mill Subdivision (as-built).

We are also providing this exhibit to counsel for the South Carolina Office of Regulatory Staff and a representative of the South Carolina Department of Health and Environmental Control.

Because this is an oversized exhibit, we are only providing one copy to each party. If the Commission Staff or any party requires another copy we are, by copy of this correspondence, asking them to contact the undersigned.

In compliance with the Commission's current electronic filing protocol, we are hand delivering the original of this correspondence and one copy thereof, along with the original of the oversized exhibit described herein above.

Respectfully Submitted,

/S/

Richard L. Whitt
